Dear Mayor and Council:

**Re: Chainsaw Carving Donation**

On behalf of the City of Dawson Creek, I would like to thank the District of Chetwynd for their most generous chainsaw carving donation. The City plans on permanently displaying this exquisite piece of art at the highway entrance to the Exhibition Association Grounds. To further express our appreciation please find enclosed five \$200 gift cards to the Encana Events Centre that you may use for fundraising for the next chainsaw carving event. The City of Dawson Creek truly appreciates this gift and wishes you all the best with your next event.

Please contact Executive Assistant Kelsey Bates at (250) 784-3636 to discuss the arrangements necessary for the presentation ceremony after Christmas.

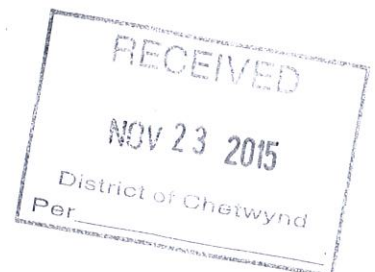

Sincerely,

Mayor Dale Bumstead
