## 2016SCC – Early bird deadline fast approaching

The early bird deadline for FCM's 2016 Sustainable Communities Conference is three weeks away. Plan to attend the event that is recognized as Canada's premier municipal sustainability gathering. It's an incomparable three-day conference that brings together a diverse group of champions who are driving change to advance sustainability from coast to coast to coast.

The national capital region of Ottawa-Gatineau provides the ideal setting for municipal officials, property developers, consultants, and sector leaders to connect, explore and share knowledge. Our **2016 program** focuses on innovative and emerging practices as well as proven good practices. It's a unique opportunity to:

## Highlights

### How can we be happier in our towns and cities?

Join award-winning author and urbanist, Charles Montgomery, for our [opening keynote](#) and discover how we can change our lives by changing our relationship with the places we live.

### My hometown in 2050

As community builders, the choices we make now may commit us to a long-term path that is not so easily changed. This [plenary panel](#) discusses how we can plan today to avoid the impacts of climate change tomorrow.

---

Over 90 per cent of our [conference program](#) is now available. Check it out and plan to attend.

Early bird pricing ends on **Monday, December 7**. Don't miss your opportunity to save on Canada's premier sustainability conference.
