**Subject:** Tansi support letter

Good afternoon, I am from the Tansi Friendship Centre Society and I was wondering if you had the mayors email or if you could forward this to him please? We are applying for a grant through the Northern Development Initiative for renovations for our building. As you may already know our non profit runs out of one of the oldest buildings in Chetwynd and we have numerous programs that benefit our community. A requirement for this grant is to get a letter of support from the Mayor, your help in this would be greatly appreciated. Thank you for your time, have a great day!  
Jessica
